

## About Buying Prints and Books on this site

The images on this site are available as single prints, or as part of collections in book format.

### The prints

**I personally print all images up to the following sizes.**

Images printed on Crane Museo Silver Rag II using an Epson 4800 with Epson K3 pigment inks.

Image size; 16 inches by 21 1/3 or 24 inches,

The prints at this size retail for \$1200.00 CDN. Canadian purchasers will have to pay GST and residents of British Columbia will have to pay BC sales tax. Shipping and handling varies on destination.

Panoramas when posted, will be up to 16 inches high by whatever length is required. Panoramas will be priced individually. Larger sizes of prints or panoramas are available, but involve using a service bureau. Prices quoted for specific requests.
